### Tables

6.13 The relative strength in innovation of national pharmaceutical industries, 1820–1990
6.14 The top 20 firms by sales (US$bn, 1997/98)
6.15 Dominance of US and UK in pharmaceutical profitability, 1997
7.1 Biotechnology applications according to industrial sector
7.2 The European DBF sector
7.3 Global DBFs that are profitable
7.4 The US DBF sector
7.5 Number of organisations and number of collaborative agreements (CAs), by nationality of originator and developer
7.6 European pharmaceutical DBFs product pipeline
7.7 Selected crop biotechnology products and supplying companies in the US market
7.8 US field trial data by technology up to 1999
7.9 European field trials by country, 1991–2000
8.1 EU metals output by country, 1998
8.2 Main end-uses of the principal base metals
8.3 Sub-sectors of the EU basic metals sector (NACE Rev. 1 27)
8.4 The world’s ten largest steel companies, 2000
8.5 Representative production cost distributions, by type of metal (percentages)
8.6 Minimum technical efficient scale of plant for basic metal manufacture, by type of metal
9.1 Optimum scale in various processes
9.2 Volume to average unit cost relationship
9.3 Share of West European car market (%) (sales)
9.4 Share of European production (%)
9.5 Production in European countries, 1999 ('000s)
9.6 Comparative car pre-tax prices in the EU
9.7 Productivity and unit labour costs: average annual percentage change, 1980–2000
9.8 Plant productivity in Europe (vehicles per employee)
9.9 Plant productivity worldwide (vehicles per employee)
9.10 Sales and revenue per employee for major European producers, 1998
9.11 Car production ('000s)
10.1 Passenger traffic in the European Union: % increase in passenger kilometres, 1990–99, by mode
10.2 Scheduled air traffic: some summary data, 1999
10.3 Operating expenses: three major European airlines
10.4 Major European airlines: some key statistics, 2000
10.5 Entry and exit in the EU: scheduled passenger airlines, 1993–99
10.6 Top ten airports in the EU
10.7 Profitability: major EU airlines
11.1 Financial structure in the Euro-zone, USA and Japan, 1999
11.2 Banking in the economy (%), 1998
11.3 Banking: number of institutions in Europe, the USA and Japan, 1994–98
11.4 Banking: top 20 Euro-zone banking groups (by total assets in million US$)
11.5 Banking: main financial indicators, 1998 (millions of ECU)
11.6 Banking: main financial ratios, 1998
11.7 Banking: ratios on balance sheet, 1998
11.8 Banking: total number of persons employed in credit institutions, 1994–98
11.10 Insurance: direct insurance and specialist reinsurance enterprises in the economy (%), 1998
11.11 Insurance: number of insurance enterprises in the EU-15 area, 1995–99
12.1 Eurostat NACE Rev. 1 Section K: real estate, renting and business activities
12.2 Trends in direct investments in market services and particularly the real estate and business activity sub-sectors, 1995–98
12.3 Contribution to total gross value added (GVA) at current prices and total employment (Emp.) in 1999 – Services, NACE Division K (Real Estate and Business Services) and sub-divisions 71–74 (Business Services)
13.1 A framework for evaluating projects and industrial policies
13.2 UK defence equipment costs and time scales
13.3 Cost savings from collaboration
13.4 EU defence industry employment, 1999
13.5 Major European defence companies, 2000
13.6 Major arms exporters
13.7 World arms exports, 1995–97
13.8 Major European collaborative military programmes
14.1 The world’s top international tourism destinations, earners and spenders, 2000
