Editors

Henk Becker has been Professor of Sociology at Utrecht University in The Netherlands. His current work involves consulting research relating to SIA for industry, and research on the theory of generations. He is author of eight books, including *Social Impact Assessment* (1997) and several books in Dutch on the theory of generations. He is a co-editor of *What has Sociology Achieved?* (1990). In addition, he has published over 100 book chapters and scientific articles in English, German, Dutch and French. He is a former President of the International Association for Impact Assessment (IAIA) and was awarded the IAIA Rose-Hulman Award in 2001.
