

## Figures

---

6.1	Taiwan's foreign trade with Hong Kong and China, 1967–1998	87
6.2	Unit labour cost (index, 1996 = 100)	88
6.3	Labour productivity in manufacturing (index, 1996 = 100)	90
6.4	Deviations of real wages in sectors from manufacturing average	92
6.5	Growth rate of production in manufacturing	94
6.6	Growth rate of labour force by sector	96
7.1	Log of real share price	123
7.2	Log of real GDP per capita	124
7.3	Recursively estimated coefficient (top figure) and t statistic (bottom figure)	132
7.4	Forecast plots from Table 7.9	134
7.5	Forecast plots from Table 7.10	136
8.1	Illustration of different growth possibilities	143
11.1	Best response function	196
11.2	Best response correspondence	197
11.3	Non-concave objective function	198
11.4	Non-convex policy set	200
12.1	Welfare losses resulting from non-uniform demands for public goods	205
