

Figures

| | | |
|-------|---|-----|
| 7.1 | Indices of economic activity and emissions in Poland | 160 |
| 9.1 | Twenty largest point sources of arsenic pollution in the Czech Republic, 1993–97 | 191 |
| 9.2 | Standardized mortality due to malignant neoplasm in the Czech Republic, 1996–99 average | 192 |
| 9.3 | Long-term unemployment as a percentage of total unemployment in the Czech Republic (31 December 2000) | 193 |
| 9.4 | Average monthly gross wages (kroons) in Ida-Viru County versus all Estonian counties | 195 |
| 10.1 | Carbon intensities in EITs in 1999 | 214 |
| 10.2 | Public versus private perspectives on CO ₂ reduction costs | 218 |
| 11.1 | Per capita SO ₂ emissions in selected countries, 1989 | 228 |
| 11.2 | CO ₂ emissions per unit of economic output in selected countries and OECD, 1980, 1989 and 1999 | 230 |
| 11.3 | Per capita primary energy supply in selected countries and country groups, 1989 | 231 |
| 11.4 | Energy intensities in selected countries and country groups, 1989 | 232 |
| 11.5 | The development of electricity prices for industry in selected countries and OECD, 1990–2000 | 243 |
| 11.6 | The development of electricity prices for households in selected countries and OECD, 1990–2000 | 244 |
| 11.7 | GDP of Hungary, Poland, the Czech Republic and Russia | 245 |
| 11.8 | The development of primary energy supply in selected CEE countries, 1985–98, as a percentage of 1989 values | 246 |
| 11.9 | TPES per capita in selected countries and country groups 1989–98 | 247 |
| 11.10 | The development of electricity consumption in selected CEE countries, 1985–99 | 247 |
| 11.11 | Index of industrial production in selected CEE countries | 248 |
| 11.12 | The development of energy intensities in CEE countries, 1989–98 | 250 |

| | | |
|-------|---|-----|
| 11.13 | The development of energy intensities in selected countries and other country groups, 1983–97 | 251 |
| 11.14 | The development of energy intensities in selected countries and OECD, 1983–99 | 251 |
| 11.15 | Development of the structure of TPES in Poland, 1988–99 | 255 |
| 12.1 | New Russian environmental facilities, 1976–2000 | 283 |
| 12.2 | Sources of capital investments in environmental protection and natural resources conservation in Russia, 2000 (%) | 285 |
