The author, Lothar Determann, practices and teaches international data privacy, commercial and intellectual property law. He is admitted to practice law in Germany and California, a partner with Baker & McKenzie LLP in Palo Alto, California, and recognized as one of the top 25 Intellectual Property Attorneys in California by the San Francisco/Los Angeles *Daily Journal*, listed in the World's 250 *Leading Patent and Technology Licensing Practitioners by the Intellectual Asset Management (IAM) Magazine* and ranked as a leading lawyer in Chambers USA, Legal 500 USA and California Super Lawyers. Prof. Determann has been a member of the Association of German Public Law Professors since 1999 and he teaches Data Privacy Law, Computer Law and Internet Law at UC Berkeley School of Law (Boalt Hall, since 2004), Hastings College of the Law (since 2010), Freie Universität Berlin (since 1994) and Stanford Law School (since 2011). He has previously authored three books and more than 70 articles and treatise contributions.
