Most of the chapters included in this volume were presented at the forum The Spirit on Innovation IV in Marseille, France, on 7–8 October 2010. The forum was organized on the topic ‘Environment, Innovation and Sustainable Development’ by the Research Network on Innovation (http://rri.univ-littoral.fr), Euromed Marseille and the Research Unit on Industry and Innovation (Lab.RII), University of Littoral Côte d’Opale, France.
