About the Authors

Peter Flaschel is Professor Emeritus at Bielefeld University, Germany. He holds a PhD degree in Mathematics and a Habilitation degree in Economics. He has extensively published on Classical Economics and Heterodox Macrodynamical Model Building. He was on numerous occasions visiting professor at the University of Technology, Sydney and was invited in 2006 as Theodor Heuss Professor to the New School for Social Research, New York. He received an Opus Magnum Grant from the Fritz Thyssen / Volkswagen Foundations in 2007/08.

Sigrid Luchtenberg is Professor of Education at Duisburg-Essen University, Germany. She holds a PhD degree in German Linguistics and Literature and a Habilitation degree in Multicultural Education. Her interests in multicultural and comparative education have been the basis for various international contacts, as a returning visiting professor at the University of Sydney in particular. Her work on Human Rights and Citizenship Education has led her into topics of social sciences in general. Her numerous publications include work on Applied Linguistics, Migration, Multicultural Education, Media, and Social Structures of Capitalist Economies.
