

Acknowledgements

The research presented in this book was funded under the Australian Leadership Award (ALA) programme and the Commonwealth Environmental Research Facility (CERF) of the Australian government. We would like to express our gratitude to Professor Michael Ward, who helped with the analysis. We are also grateful to Dr Frank Jotzo and Professor Stephen Howes for their inputs into the survey questionnaires. Valuable comments and suggestions were also received from Professors John Loomis, Diane Dupont, Trudy Cameron, Nicholas Flores, Peter Boxall and Vic Adamowicz. Any errors and omissions remaining are, of course, the responsibility of the authors.
