Bibliography

This general select bibliography has been compiled in collaboration with Mme. Sandra Krähenmann, Assistante at the Faculty of Law of the University of Geneva. It relates only to texts of general interest relating to the PCIJ or the ICJ. The bibliography of monographs and other works dealing generally with the Court is fairly extensive. The bibliography of articles, on the other hand, is very short and lists only a few items of general interest. No reference is made to the various annualized chronicles on the Court’s jurisprudence; those of the present author can be found in the RSDIE (Revue suisse de droit international et européen). Interested readers can also consult the Bibliography of the ICJ, which is produced by the Court itself periodically.
