abstract ideas doctrine 145–6
access see information access
Ackoff, R. 1
ACTA (Anti-Counterfeiting Trade Agreement)
civil rights concerns and ‘three strikes’ rules 216–17
EU membership 1, 16, 18–19, 212, 216, 220, 258, 274
EU rejection 221–2, 280, 287
European protests, preliminary outcomes 221–2
frames of ACTA’s proponents and opponents 210–12
frames of censorship and claims for transparency and liquid democracy 217–18
frames of protests against 215–19
‘freedom’ terminology, use of 215
generic manufacturers of products, effects on 218
knowledge pyramid and effects on enforcement standards 245
personal surveillance concerns 219–20
protests against 208–22
protests by digital civil rights organizations 213, 221–2
public protest succession in Europe 213–14
secret negotiations problems and transparency 212, 217–19, 275–6, 285–6, 294
symbolic significance, understanding of 220
ACTA country club approach 258–83
adjustment cost levels, effects of 262–3
bargaining position, strengthened, and setting of international norms 261–3, 270
criminal enforcement of patent rights, disagreement over 280
disagreements and ACTA Lite version 280
effectiveness of 264
enforcement concerns 258–9
FDI and technology transfer incentives, questionable 270–71
geopolitical reality and lack of equal participation 264
international sanctions’ use 271
key players, exclusion of 267–8
legitimacy questions 269
membership expansion, strategic 275–7
membership expansion, strategic, transaction costs, effects of high 279
membership limitations, criticism of 260–61, 267–9
protection of geographical indications 274, 280
second phase, lack of clarity for 267
transparency and accountability concerns 212, 217–19, 275–6, 285–6, 294
WIPO Development Agenda format suggestion 282–3
WTO comparison 268
ACTA country club approach, non-multilateral era benefits of 276–7
circumvention of multilateral norm-setting process 277
developing and non-developing
countries, disagreement between 280–81
and international trading system 276–82
regulatory fragmentation problems 278–80
ACTA country club approach, TPP (Trans-Pacific Strategic Economic Partnership Agreement) comparison 272–6
civil liberties protection 273–4
incentivization process 273
inclusive nature of 273
negotiation dynamics 274–6
transparency and accountability concerns 275
ACTA and enforcement of intellectual property rights at international level, rethinking 284–98
ACTA contents 293–5
ACTA context 288–93
balanced procedures, measures guaranteeing 293–4
complementary to TRIPS Agreement 291
controversial provisions and differences from international law 294–5
criminal provisions in cases on a commercial scale, problems with interpretation 274, 289, 295
emerging countries as addressees 292–3, 297–8
lessons to be learned from probable failure of 284–7
multilateral rules, calls for stricter 289–90
transparency and accountability concerns 212, 217–19, 275–6, 285–6, 294
