Index

administration of state courts, generally 160–70
local control as historical principle 161
models of 161
non-unified state court systems 161, 164–5
characteristics of 64, 165
criticisms of 165
unified state court systems 161–4
conflicting definitions of 161–3
general elements of 162–4
jurisdictional considerations 164
structural considerations 163–4

American judicial power
activistic nature 46, 56
as compared to England 46
as alternative not subsidiary to federal courts 50
first principles, origin 50–51
independent and adaptive character 45–6
political role 46, 61
role in founding
courts as government 53
fragility of political institutions 51
legitimizing force 51–4

court governance, generally 165–70
chief justice as administrative head of judicial system 167, 169–70
constitutional authority for governance 167
federal courts and united states judicial conference 165–6
legislative authority for governance 167
models of, generally 167
state judicial councils 169–70
state supreme courts 166–7

court oversight of direct democratic processes
amendments to constitution 159–60
initiative and referendum, generally 155
recall of elected officials 159
removal of governor 160
state constitutions and right to vote 154–6
state court review of redistricting and apportionment plans, generally 157
as effects judicial elections, Texas 159
authority to correct, review draw or correct 157–9
Oregon 157
Missouri 158
Florida 158–9
qualifications to vote in federal elections established by states 155

crime and punishment
historical perspectives on role of state courts, generally 237–8
loss of judicial sentencing discretion 237–8
mandatory minimum sentencing 237

distribution of power within a state
historical framework – distribution of power federal / state 221
limited federal constitutional restrictions on states 222
state constitutional authority or political subdivisions, generally 222–4
“centrally” managed states – limitation on local government 222

297
American judicial power

“home rule” – guarantee of local autonomy and authority 222–3
court interpretation of ‘home rule’ 223–4
home rule supersedes state law 224
legislative preemption of home rule authority 223

enforcement of state constitutional rights
justiciability, generally 192–5
justiciability of political questions – state courts 192–5
non-justiciability of political questions – federal courts 192
judicial activism 198
judicial review / enforcement – importance 197–8
negative rights under state constitutions 186–7, 190–91
remedial options – violation of negative rights 196
positive rights under state constitutions 187–90
enforcement of positive rights 197–9
positive rights mandates and judicial intervention 195
remedial options – violation of positive rights 196
reactive rights under federal constitution 185–6
enumerated federal power
Article III, actual controversy requirement 25
authorized activities, ends versus means test 27
diversity jurisdiction 10, 27
elasticity of federal court power 24
federal court exercise 19
congressional authority over 26–7
limitation of federal jurisdiction 25
first principles 23–34
incidental power 27
nationalization of rights, Fourteenth Amendment 20

power derived from and limited by Constitution 19–23
federal courts’ qualitative impact
binding nature of state law interpretations 16
limited jurisdiction 10–11, 26
federal courts’ quantitative impact
case load 9
limited jurisdiction 10–11

general jurisdiction courts
power to adjudicate all controversies 41–2
state constitutional origin 41–2

inherent judicial power, generally 174–9
Criticism of, 178–9
essential function requirement 175
funding for court operations 177–9
not dependent on constitutional grant or legislative will 175
purpose of, 175–6
Adjudication purpose 176
Institutional purpose 177–8
types of, generally 175–9
authority of courts to restrain actions of other branches of government 175–9
implied authority to manage litigation and judicial process 175–7
institutional governance and accountability
bench / bar obligations and responsibilities 259
historical perspective: judicial independence and tradition 253–4
judicial autonomy 253–5
local / community focus 254
loosely coupled organizations 254
significance of intra-branch relations 255
complexity of leadership of state courts 255
organizational dynamics 255
opportunities to reframe state court leadership 255–9
Index

complexity and interdependencies of state courts 256–8
colleagiality and cohesion 258
external institutional scrutiny 258
need for leadership 258
need for performance standards 258
structural and managerial options 255–6
judicial immunity
absolute immunity for judicial acts 170–72
effect of 170
limitations upon, generally 171
requirement of subject matter jurisdiction 170–71
absolute immunity for legislative acts 172–3
basis of 172
rules of general application, requirement for 172
effects of growing administrative role upon 174
immunity for non-judicial acts 171–3
absolute immunity not recognized 171–2
qualified immunity 172
judicial impact
Lawson decision 43–4
on legislative and executive branch 41–4
on society 41–4
judicial independence
constitutional 36–40
cultural dimension 35
decisional / adjudicative 33–6
evolving role 39
institutional 33–8, 40
effect of “modern courts” movement 35–6
evolving nature 36
judicial power
contextual nature 32–3
judiciary’s constitutional role 33
oversee litigation systems 32
resolve disputes 32–4
judicial review of popular law making
initiative and referendum processes, generally 228
compare – contrast 228–9
purpose of initiatives and referenda 229–30
legislative control over initiative and referendum 230
state constitutional limitation on substance of initiative 231–6
judicial review of constitutional limitation, generally 231
post-election enforcement 231, 234–6
pre-election scrutiny 231–3
judicial review of state legislative process, generally 224
contrast federal court vs. state court oversight 224
limitations – titling, subject, origination, generally 225
definitions 225–6
effect of limitations – role of courts 225
single subject limitation
court interpretations 226–7
impact 225–6
jurisdiction
defined, power to decide controversy and grant relief 40–42
general jurisdiction, defined 41–2
limited jurisdiction, defined 41
limited jurisdiction courts
courts of general and limited jurisdiction 42
federal courts 41–2
small claims, magistrate, justice of the peace, municipal courts 41
subject matter limitation 41
open courts and speedy remedies
access to court clause as limitation on legislative power 202–8
balance between access and legislative authority 204–5
access to court clauses in bills of rights 202
access to court as a positive right 202
access to court clauses in state constitutions 200–201
explicit access to court clauses 201
implied right – access to court 201
importance of right of access 201–2
judicial Independence and access to courts 207–8
Magna Carta – historical framework 199–200
no access to court clause in federal constitution 201
open courts clauses 203, 207–8
right to a remedy 202–8
standing issues and access to court 206–7

plenary state police power
defined 29–30
independent of federal constitution 29–30
inherent, residual, and assumed power 28–9
purpose of, public health, welfare, safety, morals 29
restricted by U.S. Constitution 28
state constitution
limitation on power not grant of power 30–31
limitation versus mandate on use of state power 31
state court exercise 30

regulating the bar, generally 152–4
by state supreme courts 152
inherent power of state courts to regulate practice of law 153–4
reliance by federal courts 152–3
state constitutional authority 153
rethinking justice administration
multi-door courthouse, generally 251–3
challenges: funding; institutionalization 252
critics 252
public demand – alternative dispute resolution (ADR) 252–3
goal of ADR 252

impact on traditional courts 253
opportunities to innovate ADR 253

sentencing reform, state courts and judicial discretion
balancing legislative authority and judicial discretion, generally 238–9
judicial sentencing discretion, generally 240–42
effect – racial and class disparities 240
mandatory minimums 240
policy goals for limiting judicial discretion 240
sentencing guidelines 240
reviving judicial discretion, generally 241–2
evidenced-based practices 241
need / risk assessments 241
performance measures / sentencing patterns 242
restorative justice 241
sentencing advisory committees 241

sources of public power 20–22
state constitutional limitations on appropriations and spending
appropriation process, overview and significance 209
taxpayer standing – recognition of 210
judicial review of legislative taxing and spending laws, generally 215–18
importance of limitations: implications for ‘taxpayer standing’ 217–19
public needs vs. government growth – litigation 216–17
purpose of tax and spend initiatives 215
types of limitation imposed 215–16
legislate through appropriation – restriction 210–12
public purpose – limitation, generally 212–15
