
Tables

0.1	European Structural and Investment Funds allocations 2014–2020 in the EU28 member states (€)	xxx
6.1	Summary statistics of variables	98
6.2	Test of H1 and H2: OLS estimates	100
14.1	Regionalist party positions on European integration according to funding period	221
14.2	Regionalist party positions on European integration according to Left–Right position	222
14.3	Structural funding and regionalist party positions on European integration	223
14.4	Structural funding and regionalist party positions on European integration for three funding periods	224
14A.1	Regionalist parties	228
15.1	Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods	233
15.2	Commitment appropriations for Cohesion policy 1989–2020 (€ million, constant 2010 prices)	236
15.3	Relative distribution of resources to Thematic Objectives in the national Partnership Agreements (% values of TO allocations over total PA value)	238
16.1	Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods	251
16.2	Commitment appropriations for Cohesion policy 1989–2020 (€ million, constant 2010 prices)	256
17.1	Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods	269
17.2	Cohesion policy funding, 1989–2020 (€ million, constant 2010 prices)	274
17.3	Share of national Cohesion policy funding allocated to the poorest regions, 1989–2020 (% of total funding)	275
17.4	ERDF and ESF contributions, 2000–2020 (% of total Cohesion policy funding)	276
17.5	Thematic Objectives, 2014–2020 (% of national allocation)	277
18.1	Main data of NUTS regions in sparsely populated countries	286
18.2	Cohesion policy programmes, eligibility and implementation approaches across programming periods	288
18.3	Commitment appropriations for Cohesion policy 1995–2020 (€, constant 2010 prices)	290
18.4	Priorities and Operational Programmes in sparsely populated countries in 2014–2020 according to Partnership Agreements	292
18.5	Relative distribution of resources to Thematic Objectives in the national Partnership Agreements (% values of TO allocations over total PA value)	294

19.1	Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods	303
19.2	GDP per capita of regions, % of EU28 average and regional disparities, 2004–2011	308
19.3	Cohesion policy funding, 1989–2020 (€ million, constant 2010 prices)	311
19.4	Budget allocation ratios by Thematic Objective in the 2014–2020 Partnership Agreements	314
20.1	Correlation analysis: per capita expenditure for regional policy, rural development and PAC 1st Pillar	333
21.1	Key priorities and funding in Cohesion policy and Trans-European Networks for the 2014–2020 period	341
21.2	Cohesion policy funding by broad policy area in EU15 and acceding countries	342
25.1	The six countries of the Eastern Partnership (EaP)	400
25.2	ENPI: indicative average allocations by country, 2014–2020, 2014–2017, 2018–2020 (€ million)	402
25.3	EaP: historical milestones	403
25.4	The Eastern Partnership Index	406
25.5	Main economic indicators of EaP countries	407
26.1	Milestones of European urban policy	416
29.1	PPP per capita GDP relative to EU28 average in 2014 EKS dollars (%)	467
