The production of this book was supported by the International Development Research Centre (IDRC) under the project *The Economics of Adaptation and Climate-Resilient Development*. Chapters 1, 6, 7 and 11 are direct outputs of the project, while Chapters 8 and 9 received partial support. We also acknowledge the University College Cork Strategic Research Fund, the Grantham Foundation for the Protection of the Environment and the UK Economic and Social Research Council (ESRC) through its support of the Centre for Climate Change Economics and Policy.

The book also brings together research and analysis from several other projects. Chapters 2, 4, 9 and 10 stem from another IDRC-sponsored initiative, *Pathways to Climate-Resilience in Semi-Arid Economies* (PRISE). Chapter 3 summarizes the recent World Bank report, *Shock Waves: Managing the Impacts of Climate Change on Poverty*, which received funding from the Global Facility for Disaster Reduction and Recovery (GFDRR) and the UK Department for International Development (DFID). Chapter 5 is derived from work that was also commissioned by DFID.

In addition to support from IDRC, Chapters 6 and 7 further draw on research undertaken as part of the ECONADAPT project, funded by the European Union’s Seventh Framework Programme (Grant Agreement No. 603906) and work commissioned by DFID on early value-for-money adaptation. Chapters 8 and 10 also draw on research carried out under two EU Framework Programme 7 projects, *RAMSES* (Grant Agreement No. 308497) and *ENHANCE* (Grant Agreement No. 308438).

The chapter authors would like to acknowledge the comments and feedback from fellow authors as well as the following individuals: Guy Jobbins (Chapters 2, 4, 9, 10); Annika Olsson (Chapters 2, 4, 5); Declan Conway and Estelle Rouhaid (Chapters 2, 4, 11); Florence Crick, Hayley Leck and Helen Parker (Chapters 2, 4); Malcolm Smart (Chapter 5); Lisa Mackie and Philipp Rode (Chapter 8); Bhim Adhikari, Chris Duffy, Ara Jo, Anna Okatenko and Catherine Simonet (Chapter 11).
