benefits in kind received in respect of services rendered to a State 10.82
and employment article 10.91–2
exception for salaries received for services rendered to a State 10.82
‘in the discharge of functions of a governmental nature’ 10.72–3
income types 10.81–7
local authorities 10.05, 10.43, 10.63, 10.65–7, 10.76, 10.83, 10.88–90
lump-sum payments 10.82
and pensions article 10.93
pensions for combined private and government services 10.84–7
pensions for combined private and government services, apportionment approach 10.86–7
pensions paid ‘out of funds created by’ the CS 10.83
public body concept 10.67–71
RC can take into account exempted income for FTC purposes 10.79–80
rules on international courtesy 10.66
salaries, wages, other similar remuneration, and non-periodic remuneration 10.82
SC has exclusive right to tax and the RC using FTC must exempt 10.76–8
scope 10.66–75
services rendered in the context of an employment contract with a private employer 10.70
social security payments under (tax only in SC) 10.43
structure 10.63–5
pensions (Art. 18) 10.01–62
allocation rule 10.01–26
allocation of taxing rights 10.27–36
contributions to foreign pension schemes 10.48–58
contributions to foreign pension schemes, anti-abuse rule 10.56
contributions to foreign pension schemes, deductibility of contributions in the host-country 10.48–52
contributions to foreign pension schemes, treating contributions in the host-country as if they were in the home-country 10.55–8
cross-border issues 10.37–62
cross-border issues, exempt pensions 10.38–9
cross-border issues, social security payments equated to government pensions 10.45
cross-border issues, statutory social security schemes 10.40–45
double non-taxation possibilities 10.04
and employment article 10.11–20
exclusive source taxation of pension payments 10.30
exclusive taxation in the RC of the recipient of pensions 10.01–4
exemptions under domestic laws 10.19–26
factors for characterization of other remunerations as ‘pensions’ 10.08–10
individual retirement schemes and preferential tax treatment 10.46–7
lack of life maintenance criterion, and payment as employment income rather than as a limited source taxation of a pension 10.35
lump-sum payments 10.07, 10.08–9, 10.12, 10.16, 10.21, 10.24, 10.36
national classifications 10.28
non-exclusive source taxation of pension payments 10.31–4
non-periodic remuneration 10.07
overlapping of national systems and mismatches 10.27–8
pension 10.16
pensions and annuities for ‘past employment’ 10.05–6
pensions for combined private and government services 10.84–7
periodic payments based on a formula related to the duration of employment 10.17

635
