About the authors

**Anna Masutti** is tenured Professor of Air Law and European Transport Law at the University of Bologna, School of Law. She also taught at the Aerospace Engineering Faculty for many years. Anna Masutti is partner of LS Lexjus Sinacta Law Firm, Italy. She frequently contributes to European programmes including those related to UASs and their regulation. In addition, she is editor of *The Aviation and Space Journal* edited by the University of Bologna. She is on the board of the European Air Law Association (EALA), legal adviser to the board of the IBAA (Italian Business Aviation Association) and Member of the Aviation Committee of the IBA (International Bar Association). From 2003 to 2007 Professor Masutti served as a Member of the Legal and Economic Committee of the Italian CAA (ENAC). She is a regular speaker at international seminars and conferences and author of various books and numerous articles, including those on UASs.

**Filippo Tomasello** was a flight test engineer in the Italian Air Force until 1984. Subsequently, he was responsible in ENAV (Italian Civil Air Traffic Control) for research and development and modernisation projects for automation. He was Manager for Northern Europe in EUROCONTROL from 2000. In 2005 he acted for the European Commission dealing with accident investigation and extension of the EASA remit to ATM/ANS and aerodromes. As rulemaking officer for EASA from 2007 to January 2015, he developed rules on ATM, aerodromes, flight operations, flight crew licensing and initial airworthiness, including related impact assessments. Since 2008 he has been a leading adviser for rulemaking on Unmanned Aircraft. Professor Tomasello was a Member or Chair of several ICAO bodies, including the UAS Study Group which developed the ICAO Manual on the subject, and was rapporteur of WG/2 (organisations) for JARUS. He is currently Professor on ATM and Safety at http://www.uni-fortunato.eu. Having left EASA in January 2015, he was the founder of https://www.eurousc-italia.it/ where he is Senior Partner. He also supports the Qatar participation to JARUS and, in the ICAO, is a Member of the Space ‘Learning Group’ and observer to the RPAS Panel. He is also a Member of EUROCAE WG 105 (UAS) on behalf of University Giustino Fortunato, and of ISO TC/20 SC/16 on behalf of Italy (UNI). He has been Foreign Expert at http://ev.buaa.edu.cn/ in China since 2017.
