

Acknowledgements

The authors would like to thank Luke Fadem for all his work in getting this project started and moving forward and in addition for authoring the chapter on international criminal law. His involvement included thinking through the project and assisting with getting approval from the publisher. We thank him for his on-going input as it has gone forward.

The authors would also like to thank Walt Cook and Adrian Van for their excellent cite-checking and Lee Ryan for her always excellent research support.

The authors would also like to thank the staff of Edward Elgar for their assistance throughout the project, in particular Kaitlin Gray, Stephen Gutierrez, Caroline Kracunas and Sally Philip.
