About the authors

Abraham B. (Rami) Shani is Professor of Management at the Orfalea College of Business, California Polytechnic State University, California, USA. He holds a doctorate from Case Western Reserve University, Cleveland, Ohio, USA. Rami served as a Chair of the Organization Development and Change Division, Academy of Management. He has authored, co-authored or co-edited numerous books and research volumes. Rami has worked with many companies around the globe and diverse industries on issues that centered on creativity & innovation, new product development, organization design and development, change strategy and sustainability. He has published over 200 articles and book chapters. His most recent book (co-authored with David Coghlan) is *Conducting Action Research* (SAGE, 2018). He co-edited (with David Coghlan) four volumes of *Fundamentals of Organization Development* (SAGE, 2010) and *Action Research in Business and Management* (SAGE, 2016). Rami also co-edited *The Handbook of Collaborative Management Research* (SAGE, 2008), since 2008 is the co-editor of the annual research series, *Research in Organization Change and Development* (Emerald Publications) and is on the editorial board of five journals.

David Coghlan is Professor Emeritus at the Trinity Business School, University of Dublin Trinity College, Ireland and is a Fellow Emeritus of the College. He specializes in organization development and action research and participates actively in both communities internationally. He has published over 200 articles and book chapters. Recent books include: *Doing Action Research in Your Own Organization* (5th edn. SAGE, 2019), *Conducting Action Research for Business and Management Students* (with Rami Shani, SAGE, 2018) and *Inside Organizations* (SAGE, 2016). He is co-editor (with Mary Brydon-Miller) of the *SAGE Encyclopedia of Action Research* and with Rami Shani of the four-volume sets, *Fundamentals of Organization Development* (SAGE, 2010) and *Action Research in Business and Management* (SAGE, 2016). He is a member of the editorial advisory board of several journals,

including *Action Research*, *The Journal of Applied Behavioral Science*, *Action Learning: Research and Practice*, *Systemic Practice and Action Research* and *OD Review*.
