

Acknowledgments

This book builds on ideas developed in research and papers with co-authors (see the References section) and in discussions with colleagues and students over the years. I am indebted in particular to Lise Mounier for our years of research collaboration. I am also grateful for stimulating exchanges with Ismael Al-Amoudi, Margaret Archer, Pierre Barbillon, Avner Bar-Hen, Daniel Benamouzig, Julien Brailly, Ulrik Brandes, Ronald Breiger, Maria-Giuseppina Bruna, Mark Carrigan, Sandrine Casenaz, Josiane Chatellet, Catherine Comet, Robert Dingwall, Pierpaolo Donati, Sophie Donnet, Patrice Duran, Fabien Eloire, Ana Maria Falconi, Olivier Favereau, Guillaume Favre, Alexis Ferrand, Johannes Glückler, Ingmar Hammer, Isabelle Huault, Marie Jourda, David Krackhardt, David Lazega, Marie-Odile Lebeaux, Sylvan Lemaire, Claire Lemercier, Andrea Maccarini, Jaime Montes-Lihn, Jamie Morgan, Mohamed Oubenal, Philippa Pattison, Elise Penalva-Icher, Álvaro Piña-Stranger, Douglas Porpora, Eric Quintane, Chrystelle Richard, Garry Robins, Saraï Sapulete, Tom Snijders, Rafaël Stofer, Mark Tranmer, Alain Tripier, Paola Tubaro, Marijtje Van Duijn, Marta Pedro Varanda, Stéphane Vari, Peng Wang, Olivier Wattebled, Harrison White, Rafael Wittek and Aleš Žiberna.
