

Tables

3.1	Openness to inward and outward FDI stocks	46
3.2	Countries used in study and regional classifications	52
3.3	Panel A. US exports and imports (billions of US dollars) Panel B. US exports and imports (percentage distribution)	59
3.4	Panel A. Distribution of US outward FDI Panel B. Total inward FDI stocks	60
3.5	Panel A. Total inward stocks of FDI in individual Latin American economies Panel B. Total inward stocks of FDI in individual East Asian economies	61
3.6	Panel A. US FDI in individual Latin American economies Panel B. US FDI in individual East Asian economies	63
3.7	Geographic distribution of US outward FDI by region	64
3.8	Sectoral distribution of FDI by region	65
3.9	Panel A. Role of MNEs in US exports and imports by industry, 1992 Panel B. Role of MNEs in US exports and imports by industry, averages for 1982–1994	67
3.10	Gravity model regressions for US exports and sectoral outward FDI	71
3.11	Gravity model regressions for US imports and sectoral outward FDI	72
4.1	Intra-regional trade and FDI in the triad, 1980–2000	95
4.2	Bilateral stocks of US FDI: Canada and the United States, 1982–2000	98
5.1	Comparing institutional designs, selected criteria	110
6.1	MERCOSUR: intra-industrial trade 1990–2000	139
6.2	FDI inflows into MERCOSUR, 1990–2000	140
9.1	US petroleum imports by country of origin, 1980–2001	191
9.2	Natural gas imports, exports, and net imports, 1980–2001	193
11.1	Share of agriculture in selected countries in the WH	237
11.2	Examples of FDI policies	246
