

Index

Abbreviations used in the index include:

CAP: Common Agricultural Policy
CCP: Common Commercial Policy
CEECs: Central and Eastern European Countries
DDA: Doha Development Agenda
ECB: European Central Bank
EMU: Economic and Monetary Union

abuse of dominant position 340–43
accession criteria, CEECs 96–100
accounting net balances 233–4
acquisitions and competition policy 343–8
across-countries inequality 21–2, 171–2, 177–82
additionality, structural funds 299
Agenda 2000 213–14
 and CAP 270–73
agreements and competition restriction 332–3
agricultural levies 223
agricultural sector
 Common Agricultural Policy 252–80
 and DDA 381–3
 and EU enlargement 101
 support, OECD 276–7
air transport sector and GATS 384
Allocated Expenditure Report 238
allocation efficiency of markets 328
Amsterdam Treaty 6–7
annuality, budgetary principle 206–7
anti-dumping measures, WTO 377–9
association agreements, CCP 359–60
automatic stabilisers 137–8
autonomy and EU budget 231

 β -convergence, income 289, 292
Baldwin, R.E. 77
beggar-thy-neighbour policies 69
Blanchard, O. 168

EU: European Union
GATS: General Agreement on Trade in Services
OECD: Organisation for Economic Cooperation and Development
SGP: Stability and Growth Pact
WTO: World Trade Organisation

block exemptions and competition 338–40
border definition, EU 404–5
Bretton Woods system 92–3
Broad Economic Policy Guidelines (BEPGs) 188–9
budget, EU 200–251
 adoption procedure 201, 202–8
 burden sharing 232–41
 execution 203–4
 expenditure 208–21
 inequalities due to CAP 263–4
 political clearing 204–5
 principles 206–8
 revenues 222–31
burden sharing of net financing 232–41
Buti, M. 120
