<i>List of figures and tables</i>	vii
<i>Acknowledgments</i>	viii
1 Introduction	1
1.1 Why a book about emotions in mergers and acquisitions is needed	1
1.2 M&As and management challenges	2
1.3 M&As and research challenges	4
1.4 Objectives and contribution	6
1.5 Organization of the study	7
<b>PART I UNDERSTANDING M&amp;As AND EMOTIONS</b>	
2 The M&A process	11
2.1 The merger phenomenon	11
2.2 The ‘tough’ ‘soft factors’ of mergers and acquisitions	17
2.3 The merger syndrome	25
3 Post-merger integration as a change of social identity	31
3.1 Social identity theory	32
3.2 Post-merger integration from a social identity perspective	34
3.3 Social identity theory and emotions	36
3.4 Conditions for the creation of a common social identity	40
4 Emotions in post-merger integration	46
4.1 Theoretical bases	46
4.2 Emotions in M&A literature	60
4.3 M&As as cause of emotions	63
4.4 M&A outcomes as effect of emotions	64
4.5 Development of a conceptual framework	75
<b>PART II CASE STUDIES ON EMOTIONS IN M&amp;As</b>	
5 Purpose	79

6	Information gathering and how to measure emotions	81
6.1	Which approaches to emotion measurement have been used in past studies?	81
6.2	Methods and techniques to study emotions in M&As	85
6.3	Interview guideline for the case studies	88
6.4	Selection of the cases	94
6.5	Procedure	98
7	Emotions	101
7.1	The 'temperature curve'	102
7.2	Collective versus individual emotions	107
7.3	Different kinds of emotions	108
7.4	Positive and negative emotions	110
8	Managerial communication	112
8.1	Importance of communication	112
8.2	The announcement	112
8.3	Communication frequency and intensity	117
8.4	Rumours	120
8.5	Media releases and public opinion	121
9	Managerial behaviour	124
9.1	Implementation of M&A strategies	125
9.2	Integration activities	129
9.3	Convincing people	132
9.4	Dismissals	134
10	M&A Outcomes	145
10.1	Employees' identification and commitment	145
10.2	Employees' job satisfaction	148
10.3	Relationships	150
10.4	Perceived performance	153
 PART III CONCLUSIONS		
11	Discussions	157
11.1	Recapturing emotions in M&As	157
11.2	Limitations of the study	164
11.3	Implications for future studies	166
11.4	Implications for management	169
	<i>Bibliography</i>	175
	<i>Index</i>	203
