

Acknowledgments

We would like to acknowledge the support of several organizations for this project. Primary funding for the conference on Amenities and Rural Development was from the National Research Initiative of the Cooperative State Research, Education and Extension Services in the US Department of Agriculture. Pat Hipple, from the National Research Initiative, was a strong advocate of the project. We also received funding from the North Central Regional Center for Rural Development, the Southern Rural Development Center, the Western Rural Development Center and the Northeast Regional Center for Rural Development. The directors of these centers – Cornelia Butler Flora, Bo Beaulieu, Steve Daniels and Stephan Goetz – were especially supportive throughout the project.

Mischelle Grabner was responsible for coordinating the arrangements for the conference held in Madison, Wisconsin. Eric Goodman constructed the website (http://www.wisc.edu/urpl/otherlinks/ARD_CONF/intro.htm) for the conference. Mary Christine McKenzie assisted with much of the copy editing of manuscripts. Alan Sturmer, acquisitions editor at Edward Elgar Publishing, was a joy to work with and provided a great deal of encouragement along the way.
