Several individuals assisted at various stages in the preparation of the outline of the book, and also in the preparation of the manuscript. We thank Kulraj Singh in particular for his assistance in preparing the various figures and diagrams for the book. Also, appreciation is expressed to Dr Bharatendu Srivastava of the Indian Institute of Management, Calcutta and Dr S. Raghunath of the Indian Institute of Management, Bangalore for their sustained interest in my research and teaching in the area of International and Cross-Cultural Management. The Doctoral and MBA students at the University of Memphis provided interesting examples of cross-cultural episodes in International Business which were helpful in our thinking.

Several colleagues in countries where Rabi Bhagat went as Visiting Distinguished Professor were also helpful with their insights. They are Kwok Leung of the City University of Hong Kong, China; Mansoo Shin of Korea University Business School in South Korea; Ilan Arvishir of the ESPM Business Institute of Sao Paulo, Brazil; Ronald Burke of York University, Canada; and Anna Bokszczanin and Anna Bronowicka of the Institute of Applied Psychology at the University of Opole, Poland.
