

Acknowledgements

The authors are very grateful to Dr Ha-Joon Chang, Professor Robert Wade and Professor Dani Rodrik for allowing them to use sections of books and articles written by them in abridged form:

Ha-Joon Chang (2002), *Kicking Away the Ladder: Development Strategy in Historical Perspective* (London: Anthem Press).

R. Wade (2004), Is Globalisation Reducing Poverty and Inequality?, *World Development*, April.

D. Rodrik (2001), *The Global Governance of Trade: As if Development Really Mattered* (New York: UNDP).

We would also like to thank all the 'team' at Edward Elgar – Matthew Pitman, Elizabeth Clack and Nep Elverd – for all their help in seeing the book through the press.
