### Subject index

**age (of firms)** 143–4, 146–7, 176  
**agglomeration** 11, 78–80, 109, 113  
- economies 21–2, 47, 217–22, 246, 314  
- urban 40–42, 49, 50, 107  
**Almon lag procedure** 71–3  
**AMADEUS** 250  
**antitrust regulation** 7, 217, 234–40, 250–51  
**asset holdings (taxation)** 198, 206  
**asymmetric information** 184, 235  
**AUTM** 252, 260–62, 269–72, 275, 278, 280, 286, 293, 295, 311  
**back-to-back companies** 168–9  
**Bayh–Dole Act** 254, 259, 262–4, 268–9, 276, 286–7, 317  
**business**  
- dynamics 70, 135–7  
- new  see new business; new business formation  
- ownership  see ownership  
- business angels 180, 184–5, 187, 195, 196–7, 201  
**Canada** 265–6, 272, 286, 294, 311, 316  
**capital gains tax** 195, 197–8, 200, 206  
**capital income, current** 196–7, 206  
**capital intensity** 137–8, 190  
**capitalism** 176, 191, 205–207  
**carrying capacity (of market)** 86  
**Central business district** 143, 159–61  
**Chalmers University** 8, 298, 300–301  
**China** 13–14, 227, 294  
**cities** 40–42, 47, 50, 107, 112, 314  
**cohorts/cohort analysis** 50, 60–63  
**collaborative research** 217, 234–40  
**communication costs** 2, 12, 19–20  
**costs** 137  
- administrative 204, 235, 271, 277  
- communication 2, 12, 19–20  
- labor 14, 27  
- of regulation 228, 230–33  
- transaction 27, 28, 231, 235, 250  
**competition**  
- antitrust legislation 7, 217, 234–40, 250–51  
- competitive advantage 16, 26–9, 226  
- indirect effects 4, 63, 66, 78, 80, 84, 86, 88, 94, 97  
- non-compete agreements 7, 217–22, 240, 246–7  
**congestion effect** 22, 78–80  
**continuous performers** 167–9  
**CORE database** 250–51  
**corporate taxation** 196, 198, 206  
**creative class** 42, 107  
**creative destruction** 59, 65, 68, 70, 111, 176, 182–3, 205  
**creative people** 38, 42  
**creativity** 41, 127, 300, 313  
**crowding-out effects** 63–5, 73, 176, 186  
**culture** 42, 219, 235  
- of entrepreneurship 9, 86, 95, 98  
- organizational 29, 280  
- of universities 7, 274, 276–9, 316  
**‘decliners’** 144, 162–3, 165–7  
**demand** 25, 28, 80, 137  
**Denmark** 131, 192, 255, 262–4, 317  
**deregulation** 183–6  
**disclosure** 260–61, 271, 273–5, 279, 281, 286–8, 291  
**displacement effect** 63, 72–3, 76–8, 80, 84, 89, 93, 139, 233  
**divestitures** 232  
**division of labor** 14, 27, 59, 65, 179
