- agricultural pluriactivity *see* pluriactive farms
- agricultural sector, Scotland 140
 - high growth firms 139
- agriculture
 - entrepreneurship 281–3
 - and entrepreneurship research 2–4, 6–11
 - separation from industry 4–6
 - see also* farms; farmers
- Ahmad, R. 222
- Aisbett, J. 221
- Ajzen, I. 284
- Aldrich, H.E. 58
- Allanson, P. 257
- Alsos, G.A. 23, 40, 76, 104, 282
- Alvarez, S. 9, 25–6, 33, 165
- Alvesson, M. 91
- Amit, R. 23, 41
- Anderson, A.R. 260
- apple farm, case study 61–3
- Arkansas Delta Produce Marketing Association 180, 183–96
 - management structure 190–91
- Atterton, J. 269–70, 275
- autonomy and on-farm diversification 87

- Baines, S. 261
- bakery sector, Scotland 138
- Barbieri, C. 84
- Barney, J.B. 9, 25, 76, 165
- Baumeister, R.F. 115
- Bertaux, D. 305

- Bika, Z. 261
- biodynamic enterprises 147–60
 - benefits 155–6
 - definition 148–9
 - as entrepreneurship 153–4
 - motivations 150–54
- Bishop, P. 244
- Blais, R. 96
- Blombäck, P. 283
- Blundel, R. 85
- Bosworth, G. 263, 268, 277
- Bourdieu, P. 298–9
- Bouthillier, L. 282
- Bowman-Upton, N.B. 84
- Boyde, T. 220
- Busenitz, L. 25–6, 33
- business development
 - family farms 57–69
 - models 24–5
- business drivers for biodynamic enterprises 152–3
- business formation perspective 7–8
- business model development 162–77
 - Nordic gourmet restaurants 167–77
 - stages 172–5
- business practices and biodynamics 156–8
- business support 90–91, 268, 276
- business-to-business (B2B) markets and ICT 221
- Buttle, F. 222
- Bygrave, W.D. 10

- Campbell, H. 159
- Canada, forestry SMEs 94–106
- Cantillon, R. 3
- capacity-building approach, Mashteuiatsh community 292
- capital, theory of 298–9
 - and family farming 299–309

- see also* cultural capital; economic capital; social capital; symbolic capital
