  - findings 197–202
  - introduction 189–90
  - method 193–6
  - sample proposition for research on routines-based framework 207–10
  - summary 202–4
  - theoretical context 190–92
- TMT process, and strategic leadership and entrepreneurship nexus study 298, 299, 301, 302–3, 306, 310, 311, 312, 313, 316–17, 318–20, 322, 331, 338
- TMT process rationality 161, 164, 166, 167, 169, 184
- TMT psychological characteristics, transformational leadership and business unit performance study
  - discussion and future research directions 139–46
  - introduction 127–9
  - method 136–9
  - results 139–41
  - theory development 129–36
- TMT risk taking 143, 306, 321
- TMT role structural change 57–8, 61, 62, 65, 67
- TMT roles 52, 54–7, 60–61, 62–3, 64, 65–6, 67
- TMT selection 58, 65, 211
- TMT size 42, 307, 332
- TMT structure
  - and organizational demography 52, 53, 54–7, 60–61, 62–3, 64
  - and strategic decision making 153
  - and strategic leadership and entrepreneurship nexus study 298, 304, 310, 313, 331, 332, 337, 338
- TMT subsets 44–5
  - see also* inner circles
- TMT tenure 305, 307, 309, 321, 324, 332, 336
- TMT turnover
  - and organizational demography 58–9, 61–2, 64
  - and strategic leadership and entrepreneurship nexus study 314, 321
- TMT vacancies 64–5
- TMT values 318, 322
- TMTs (top management teams)
  - definitions 15, 18, 29, 35, 37
  - ‘dynamic periphery’ 44
  - interactive process 160–62, 164, 166, 167–8, 169–70, 171, 172, 173, 174–5, 177–8, 179, 184–5
  - issues selection for strategic decision making 16, 19
  - organizational demography (*see* organizational demography)
  - as research focus 35, 46, 49–50
  - as reservoir for inner circles 44
  - and strategic decision making 15, 21, 38, 40–41, 44–5, 150, 338, 339
  - strategic leadership and entrepreneurship nexus study
    - conceptual framework for research and future directions 331, 332, 333, 334, 335, 336–9, 340
    - refinement 298–305, 321
    - rejuvenation 309–16, 321–2
    - replication 306–9, 321
    - revolution 316–20, 322
  - strategic leadership perspective 50–52
