First, I would like to thank all contributing authors for their enthusiastic support of this project and their dedication to providing new perspectives that are truly on the cutting edge. My heartfelt thanks go to Francine O'Sullivan, Acquisitions Editor, who showed an unwavering belief in the handbook since its very inception, and to all her colleagues at Edward Elgar who provided assistance. I would also like to pay respects to my mentor, Weston Agor, who dared to research intuition way before most of us did. Finally, all my love goes to my husband Carl who has always been there for me and whose artwork adorns the cover of this book.
