I am grateful to Alex Pettifer and his colleagues at Edward Elgar for their patience in the gestation of this work and for help with its completion. Gratitude also to Dong Hoang and Will Whitefield for sharing their data with me. I must also thank all of the following, who gave valuable advice and criticisms on various drafts of parts of the text: Phil DeSouza, Asa Desouza-Jones, Leah Desouza-Jones, Andrew McCulloch, Rod Morgan, Andrew Pendleton, Andy Rowell, Anthony Waterhouse. Of course I, and the rest of society are responsible for any errors and inaccuracies which remain.
