Özlem Sandıkçı and Gillian Rice

Acknowledgements are due to Gül Yücel, my assistant at Bilkent University, Faculty of Business Administration, who helped considerably in the difficult task of assembling the final manuscript. I have the deepest gratitude for my parents, Süheyla and Sırrı Sandıkçı, for always supporting me in all my endeavors. And my greatest thanks are to my husband, Tekin Türkdoğan, who stood by me throughout this project and continuously offered his support and love.

I thank my husband, Essam Mahmoud, for his kindness, patience and encouragement throughout my career and especially with respect to this project. Much appreciation also to my parents, Bill and Joy Rice, who have always persuaded me to have the confidence to pursue my dreams.
