General introduction 1

PART 1 NEW WAYS TO ACHIEVE A UNIFORM INTERPRETATION OF EUROPEAN PATENT LAW AND POSSIBLE SOLUTIONS TO THE PROBLEMS RELATED TO THEM

1. Specialised national patent courts 15
   I. Introduction 15
      A. Potential risks of specialised courts 17
      B. Dealing with those risks 17
      C. Demand for specialised patent courts 19
   II. France 22
      A. Courts of first instance 22
      B. Courts of further instance 24
   III. Germany 25
      A. Courts of first instance 25
         1. Introduction 25
         2. Split proceedings (‘bifurcation’) 27
      B. Courts of further instance 29
   IV. The Netherlands 30
      A. Courts of first instance 30
      B. Courts of further instance 31
   V. United Kingdom 32
      A. Courts of first instance 32
      B. Courts of further instance 38
   VI. Reasons for success of the German patent litigation system 39
   VII. Conclusion 41
2. Forum shopping related to patent litigation in Europe

I. Introduction
A. Relevant provisions in regard to cross-border forum shopping

II. Reasons for forum shopping
A. Familiarity with the legal system
B. Speed of the courts and quality of judgments
C. *Lis pendens* rules
   1. The European rules and their general impact on patent litigation in Europe
   2. The approach in the draft Hague Jurisdiction Convention
   3. The problem of ‘torpedoes’
D. Provisional and protective measures
E. Procedural differences and court practices
   1. The *kort geding* procedure
F. Damages
G. Interpretation of European patent law and other substantive law
H. Costs

III. Possible and real problems related to cross-border forum shopping
A. Limited number of experienced courts and abuse of the situation
B. High litigation costs
C. *Forum non conveniens* and anti-suit injunctions
   1. *Forum non conveniens*
   2. Anti-suit injunctions
D. Inefficiency
E. Inconsistency of choice of law rules and the problem of applying law taking effect abroad
   1. The situation in Europe concerning choice of law rules
   2. Applying law taking effect in another state
F. Impact on the sovereignty of a state
   1. Cross-border injunctions
   2. Policy-making by applying law taking effect abroad and the problem of recognition

IV. Forum shopping and the CJEU
A. The CJEU’s position
B. Conclusion of the CJEU jurisprudence
V. Conclusions concerning cross-border forum shopping in Europe
   A. General
   B. Possible solution to the problems related to cross-border forum shopping
      1. Limitation of the number of courts
      2. Detailed check of a court’s own jurisdiction
      3. Danger of negative competence conflicts?
      4. Principles of judicial cooperation between courts
      5. Conclusion

3. Conclusion in regard to the unification of interpretation and avoiding multiple litigation by way of specialised national courts and forum shopping

4. Combination of concentration of litigation at the national level and other measures
   I. Judicial cooperation
      A. Cooperation among judges
         1. Introduction
         2. The Patent Judges’ Symposia and their impact on a uniform interpretation
         3. Exchanges between national judges, as well as between national judges and members of the EPO Boards of Appeal
      B. Academic analysis: the role of universities and practitioners
      C. Conclusions with regard to unification of the interpretation of European patent law by way of judicial cooperation
   II. Creation of ‘best practices’ as regards the interpretation of European patent law and common rules of interpretation
   III. Bodies giving opinions on European patent law
      A. Introduction
         1. Key aspects with regard to a uniform interpretation
      B. The EPO Enlarged Board of Appeal
         1. The EPO Enlarged Board of Appeal as a referral body for national authorities
         2. Unification by constituting the EPO Enlarged Board of Appeal from national judges
European patent law

3. The EPO Enlarged Board of Appeal as basis for a European patent court of appeal 146
C. The Facultative Advisory Council 146
   1. History and background 146
   2. Proposed principal regulations of the Facultative Advisory Council 149
   3. Can the Facultative Advisory Council unify the interpretation? 151
D. Conclusion with regard to unification of interpretation amongst bodies giving opinions on law 155

IV. Harmonisation of court proceedings and substantive patent law 156
   A. Introduction 156
   B. Common rules regarding civil procedure at the European level 157
      1. Introduction 157
      2. The patchwork approach of the European Union 161
      3. Uniform law concerning patent litigation 165
   C. Crucial points of procedure with an effect on the interpretation of European patent law 167
      1. Provisional measures 167
      2. Evidence 169
   D. Conclusion with regard to a unification of the interpretation of European patent law by way of a harmonisation of procedural law 170
   E. Harmonisation of substantive patent law 172

V. Cross-border injunctions 176
VI. Common court of appeal 177
VII. National courts acting as European courts 179
VIII. Conclusion 181

PART 2 PROPOSALS FOR A COMMON PATENT COURT IN EUROPE

5. The European Patent Court based on the proposal of the Working Party on Litigation of the European Patent Organisation 185
I. History and development 185
   A. The first phase 185
   B. The second phase 187
   C. The third phase 189
