The research reported in this monograph was part of a large project supported by NSF grants numbers 0089879 (EIA-CISE) and 0234168 (CNS-CISE), B. Gutek and K. Koput, Co-PIs. Substantial contributions were made by Bambi Douma and E. Layne Paddock. Robert Done, Dave Meader, Ryan Murphy and Tom Nicholas helped with various aspects of the project. Additional support was provided by the Eller College of Management at the University of Arizona and the Institute for Research on Women and Gender at the University of Michigan.
