

Index

- ABS (asset-backed securities) 161, 177, 183
adverse selection 13
Akerlof, G.A. 13, 96
arbitrage 117, 118, 145
ARM (adjustable rate mortgage) 160, 177
- banks 73–4, 160, 165–6, 171–2, 176, 178, 184, 192, 200
barter 40, 49
Basel II 165–6, 171–2, 175
beauty contest 87, 139
behavioural finance 66, 80–81, 86–7
 see also irrationality
Black–Scholes formula 97, 114, 136–7, 140–49, 167
- capital 124–6
CAPM (capital asset pricing model) 145–8
 see also model risk
causality 16, 22, 85, 193–5
CDO (collateralized debt obligation) 161–2, 177–8, 182
CDS (credit default swaps) 162–3, 169, 178, 182, 200
circularity 11–14, 16, 72, 85, 164, 171, 182, 190–93, 198
 see also pro-cyclical; reflexivity
competition 71–2
computer 85–6, 127, 132, 159, 193–4
constructivism 96–103, 138
contingency 21, 28–9, 34, 101, 108–9, 114, 128, 147, 192
control 34, 85, 193–7
 see also steering
counter-performativity 97, 150–51
 see also performativity
- credit 41–2, 50, 53, 73, 79, 169, 171, 182–3
 scoring 157, 159–60, 168
crisis, financial 126, 155–200
 and derivatives 1, 95, 161, 177
- decision
 and risk 33–4
 and time 27
deflation 183–6
de-futurization 179–83, 193–4, 196, 200
derivative markets 112–14, 116, 129, 135, 139–40
derivatives 1, 94–9, 105–6, 108–11, 116–18, 127, 161
 function of 123–6, 129
 see also finance, structured; futures; options; swaps
divination 20
- economics
 criticism of 10, 102–4, 156–7
 and financial crisis 9–10, 156
 and prediction 10
 and time 9–16, 104–5
EMH (efficient market hypothesis) 64–5, 67, 80, 145, 176
eternity 28
expectations 15, 20, 82, 111–12, 150–51, 159, 182–3, 190–93, 197–8
- fair value 167, 191
fashion 29, 68
finance, structured 6, 162–3, 168–71, 176, 178
 see also derivatives; securitization
financial markets
 growth of 115
 and risk 2, 77–8, 129
 and society 78–9, 113, 192, 200

- theory of 80
- and time 2–3, 34, 127
- future
 - and derivatives 1, 95, 105
 - and openness 6, 14, 20, 22–30, 33–5, 127, 132, 136, 158–9, 162, 179–81, 185–6, 191, 194
 - prediction of 128, 131–3, 164
 - present 24, 114, 127–8, 137, 147, 169–70, 171, 180–81, 193, 194–5
 - production of 4, 16, 70, 95, 126–7, 157, 182, 185–6, 191, 194–6, 199
 - use of 2–4, 160–63, 167–72, 178–84
 - see also* time
- futures 1, 109, 114, 124
- gambling 78–80, 141, 159
- game theory 13
- globalization 86
- gregarious behaviour 80–81, 104, 150
 - see also* behavioural finance; irrationality
- Grossman, S.J. 56, 57, 65
- hedge funds 119, 178
- hedging 113, 118–19, 130, 147, 170
- Hayek, F.A. von 56, 64, 86
- Hicks, J. 16, 51
- inconsistency 15–16
- inflation 184–6
- information
 - asymmetric 13
 - imperfect 12–14, 19, 24, 57, 59, 64, 65–8, 71, 112, 198
 - and price 56–9
