

Acknowledgements

The research presented in this book was supported by funding from the Australian Development Agency for International Development through the Australian Development Research Awards, project EFCC083 ‘Assessing the livelihood impacts of incentive payments for avoided deforestation’. Other funding sources that contributed to the research presented in the individual chapters are acknowledged there.

We would like to thank the following colleagues for reviewing chapters of the book: Simon Anstey, James Blignaut, Esteve Corbera, Florence Daviet, Rohit Jindal, Marshall Murphree, Charles Palmer and Sven Wunder. Many thanks also to Chris Ulyatt for his editing work.
