The editors are grateful to the LSE Health, LSE Santander Fund and the Xarxa de Recerca en Economia i Politiques Publiques (XREPP) and CAEPS Centre of the Univeristy of Barcelona for their financial and logistic support in organising the workshop that allowed the idea of the book to flourish and become a reality. We are especially grateful to Anna Maresso for her editing work and to the authors for their patience in amending and improving their text to meet the quality standards of this textbook.
