
Acknowledgements

The editors greatly appreciate the support of the Center for European Studies at the University of Texas at Austin, its director Douglas Biow and its staff, Sally Dickson and Nhi Nguyen. The Center provided the bulk of the funding and all of the administrative support for the workshop held in Austin in October 2014 in advance of the preparation of final papers. We also wish to thank, for their financial contributions, the Department of Government and its chair, Robert Moser, the Center for Australian and New Zealand Studies and its director, Rhonda L. Evans, the Department of Asian Studies and its chair, Martha Selby, Dean Randy Diehl of the College of Liberal Arts and the Irma Rangel Institute for Public Policy and its director, David Leal. We are particularly indebted to Rachel Navarre and Benjamin Hardee for their assistance in the preparation of the final manuscript.
