Introduction	1
<i>Michael Faure, Peter De Smedt and An Stas</i>	

PART I GENERAL THEORY

1 Environmental enforcement networks: theory, practice and potential <i>Grant Pink</i>	13
2 Better regulation, enforcement and networking: co-dependency for the global environment <i>Campbell Gemmell</i>	37
3 Connecting cultures: towards sustainable networking: key success factors for environmental cooperation across cultures <i>Esther Janssen</i>	59
4 The role of networks in ensuring compliance and strengthening coordination: a comparative analysis on INECE, ECENA, RENA and REC Turkey <i>Zerrin Savaşan</i>	68
5 Evaluating and assessing environmental enforcement networks: through use of the network evaluation matrix <i>Grant Pink and James Lehane</i>	105

PART II BENEFITS OF NETWORKS

6 Towards a critical analysis of environmental enforcement networks <i>James Lehane</i>	131
--------------------------------------------------------------------------------------------	-----

- 7 Environmental enforcement networks: their 'value proposition' during times of reducing resources and budgets 153
Grant Pink
- 8 Environmental regulation and enforcement networks operating in tandem: a very effective vehicle for driving efficiencies and facilitating knowledge exchange and transfer 172
Campbell Gemmell and Tony Circelli
- 9 Countering transnational organized wildlife crime: regional and sub-regional initiatives, global responses and the need for more effective coordination 187
Edward van Asch
- 10 Can supervision and enforcement networks make self-regulation work? 223
Martin de Bree, Han de Haas and Paul Meerman

PART III THEMATIC NETWORKS

- 11 The Lusaka Agreement Task Force as a mechanism for enforcement against wildlife crime 239
Emmanuel B. Kasimbazi
- 12 Huntington geographic enforcement/compliance initiative: a case study in multi-organisation networking and collaboration 263
Eugène Lubieniecki
- 13 The European Union Forum of Judges for the Environment 276
Luc Lavrysen
- 14 The Seaport Environmental Security Network: facilitating international enforcement collaboration to prevent illegal hazardous waste shipments through ports 289
Danielle Fest Grabiél, Robert George Heiss, Meredith Koparova, Deborah Kopsick and Henk Ruessink

PART IV HORIZONTAL NETWORKS

- 15 North American working group on environmental enforcement and compliance cooperation: moving from capacity building to operational activities 305
Deborah Kopsick and Susan Elizabeth Bromm

- 16 Informal environmental networking: the EPA Network example 321
William Fawcett
- 17 Developing and sustaining environmental compliance and enforcement networks: lessons learned from the International Network on Environmental Compliance and Enforcement 334
Jo Gerardu, Meredith Koparova, Kenneth Markowitz, Durwood Zaelke and Gunnar Baldwin, Jr
- 18 Environmental inspections and environmental compliance assurance networks in the context of European Union environment policy 350
Miroslav Angelov and Liam Cashman
- 19 Success and failure factors in developing effective environmental enforcement networks: the case of the East African Network for Environmental Compliance and Enforcement 377
Gerphas Opondo

PART V VERTICAL NETWORKS

- 20 Regional environmental enforcement networks in the United States 393
LeRoy Paddock
- 21 Ghana's efforts at environmental enforcement networks: legal and institutional structures 419
Bernadette Araba Adjei and Larsey Mensah
- 22 Effective networking, formal versus substantial compliance, conflicting powers: strengths and weaknesses of environmental criminal provisions enforcement networks in Italy 430
Grazia Maria Vagliasindi
- 23 Domestic environmental enforcement networks: the practice of China 453
Xinyuan Lu, Hu Qin and Jun Yang
- 24 Environmental enforcement networking efforts in Chile: lessons learnt and challenges ahead 470
Juan Carlos Monckeberg, Kay Bergamini and Cristian Pérez

25	Enforcement of environmental legislation by the Belgian police <i>Frans Geysels</i>	482
26	The Flemish High Council of Environmental Enforcement: the role of an environmental enforcement network in a new coordinated environmental enforcement landscape within the Flemish region, 2009–2014 <i>Michael Faure and An Stas</i>	490
	Concluding and comparative remarks <i>Michael Faure, An Stas and Peter De Smedt</i>	510
	<i>Index</i>	525
