

Acknowledgments

In the preparation of this book we have incurred many debts. Philipp B. Donath and Jakob Kadelbach, both at Goethe University Frankfurt, provided vital support in planning and organizing the 2013 Frankfurt Investment Law Workshop that inspired the publication of this book. At the University of Glasgow, Athene Richford and Dr. Alessandra Asteriti commented on manuscripts. At the Max Planck Institute for Comparative Public Law and International Law in Heidelberg, where the bulk of the preparatory work was undertaken, Nadine Berger, Felix Boos, Vladislav Djanic, Daniel Litwin, Raphael Schäfer and Katrine Tvede helped with editing and complementing references.

In organizing the Workshop, and in relying on editorial support, we have been able to draw on resources made available by our host institutions, which we gratefully acknowledge. Stephan W Schill would particularly like to acknowledge support in editing this book by a European Research Council Starting Grant on ‘Transnational Private-Public Arbitration as Global Regulatory Governance: Charting and Codifying the Lex Mercatoria Publica’ (LexMercPub, Grant agreement no: 313355) during his tenure both at the Max Planck Institute for Comparative Public Law and International Law in Heidelberg and the University of Amsterdam.

Finally, our thanks are due to Edward Elgar Publishing. Ben Booth and his team have supported the establishment of the Frankfurt Investment and Economic Law Series and overseen a smooth commissioning process. During the finalization of this book, we have benefited from David Fairclough’s editorial skills. We are grateful to all of them.
