as one of Structural Funds 93
as one of three Cohesion policy funds 42, 172
Regulation 25, 371
resources allocated to environmental measures 376
in rich central countries 269–71, 276, 280–82
for smart specialisation 433
for social dimension 476–8, 480, 483
in southern periphery countries 237–8, 240, 264
in sparsely populated countries 293–4, 296–8
study of regional and national funding per capita 220–25
in United Kingdom and Ireland 250, 252–60, 264–5
for urban development and new instruments 414–16, 419–21
European Social Fund (ESF)
audit authorities for OPs of 173
within Central and Eastern Europe 315
Committee's opposition to removal of 142
CoR's use of subsidiarity principle 166
Directorate-General responsible for 37
and Dutch operational programme 484
ERFD complementing 50
and European Court of Auditors 175–7, 181
European Parliament support for 146, 150
evaluation of operational programmes 437–8, 443
financial instruments 196
financing urban development projects 416
four thematic focuses 43
fund-specific regulations for 133
as guiding economies of less-developed regions 431
as instrument addressing regional imbalances 18
and Italian operational programme 484–5
main aim of 461
as most relevant for realisation of social measures 483–4
as one of Cohesion policy's main funds 42
as one of three Structural Funds 93
original aim 469
percentage representation of total funds 479–80
percentage represented by ESIF funding 340
within reform regulations 22, 24–5, 27, 29, 32
remit within different programming periods 476–9
within rich central regions 269–70, 276, 280
and Romanian operational programme 485–6
and social inclusion objective 432–3
within southern periphery 238–9
within sparsely populated countries 293–4
and training of workers 432, 436
within United Kingdom and Ireland 256–7
European Solidarity Fund (EUSF) 42
European Spatial Planning Observatory Network (ESPON) 29, 42, 327, 349–50
European Structural and Investment Funds (ESIF)
2014–2020 allocations xxx
2014–2020 regulation 487
acting as sort of litmus test 486
assumed role 110
conditionality for effective disbursement of 147, 152
CSF for enhanced coordination between 419
EIB blending with advisory services 197
financial instruments 196
Structural Programme Loans 195–6
enhancing oversight role of Commission 483
and European Fund for Strategic Investments 198
expected contribution to Europe 2020 strategy 483
full exclusion, and flexibility mechanism in, national co-financing of 194
funds comprising 93, 172
important step in Common Provisions
Regulation for 378–9
and macroeconomic conditionality 149, 191
main priorities supported by 340–41
MFF channeled through 340
as milestone of European urban policy 416
as powerful incentive for social inclusion 488
regulations creating premises of 32
as substantial portion of EU budget 93
 tensions on member state implementation of 134–5
European Territorial Cooperation (ETC) xxx, 28–9, 31, 33, 38, 44, 112, 133, 145, 164, 275, 384–5, 390, 396, 492, 503
European Union impact on Europeanisation 306
improving effectiveness in view of enlargement 25–7
matching enlargement with wider goals 27–30
Thematic Objectives 277
transformation crisis 409
European Units of Account (EUA) 19

European groupings for 389–90
evolution into core aspect of Cohesion policy 385–6
growth of, since end of World War II 384
plethora of institutions 384–5
three discernible components of 385
types of 386
territorialisation
challenges of multilevel-multiscalar metagovernance 518–21
emergent forms of territorial governance and implications 513–18
experimental regionalism and multiscalar metagovernance in three European countries 514–18
multilevel governance and Cohesion policy 506–13
and emergent spatial governance configurations 510–11
as horizontal reconfiguration of policy arenas 509–10
types of 512–13
as vertical rearticulation of intergovernmental relations 507–9
territoriality and budgetary politics 494–5
of Cohesion policy 491–8
evolution of territorial policies in EU 326 and interinstitutional struggle over European integration 496–7
move towards territorial centrality 326–31
and multilevel governance 498–500
multilevel–multiscalar territorial systems 518–21
and representative democracy 8, 500–502
and scale of intervention 495–6
state Cohesion policy beyond 502–3
reasserting 497–8
territorial dimension of Cohesion policy 146–7
territorial needs, place-based policy tailored to 152
unravelled 493
thematic concentration 42, 130, 133–5, 140, 144–6, 376
Thematic Objectives (TOs) distribution of resources to
in Central and Eastern Europe countries 313–14
in rich central countries 277
social cohesion priorities 485
in southern periphery countries 238–9
in sparsely populated countries 291, 293–4
environmental 376
linked to inclusive growth/social inclusion 483–4
new, related to 2020 priorities 32–3, 375–6
Index 547

thematic priorities, in rich central countries 276–7
Thomson Report 18
time dimension 452
Trans-European Transport Network (TEN-T) 193, 297, 339–40, 351–4
transportation
  Cohesion policy
    and growth models 343–5
    and transport infrastructure networks 339–43
  Europe 2020 strategy and TEN-T network effects 351–4
growth and development synergies 343
innovation, distance and knowledge networks 355–6
New Economic Geography and spatial structure trends 346–9
spatial structure, market potential, agglomeration economies and urban hierarchies 345–6
transport infrastructure and accessibility 349–51
  networks 339–43
treaties
  of cross-border cooperation 388
  environmental 369–71
  Treaty of Amsterdam 26, 512
  Treaty of Rome 1, 3, 11, 17–18, 164, 194, 429, 494
  Treaty on the Functioning of the European Union (TFEU) 30, 30, 147, 149–51, 177, 183, 199, 461, 470
United Cities and Local Governments (UCLG) 41
United Kingdom (UK)
  accession to EU 19, 50, 329, 495
  budget negotiations 131
  Cohesion policy
    achievements and impact 263–6
    on allocations under 125
    challenges 250
  funding 315, 375
  on future of 125
  pressure for establishment of 329
  programmes 251
  as redistributive 59
  regionalist parties welcoming 208
  Common Agricultural Policy 250, 495
  different approach for 18
  and ERDF 19, 250, 254, 256–9, 264–5
  funding devoted to social cohesion priorities 479–81, 485–6
  government on Cohesion as redistributive policy 59
  impact of economic crisis 187
  impact of European urban policy 418
  institutional system 252
  on national austerity matched by budget restraint 136
  NUTS 2 units as artificial 446
  opposition to EU budget reform 21
  performance audit methodology 180
  population size 250
  potential impact of referendum 214
  PPP per capita GDP relative to EU28 average 467
  self-rule 99
  shift from infrastructure support towards enterprise 250
  and state territoriality 498
  Structural Funds experiences
    as complex 265–6
    financial resources 256–8
    governance and implementation arrangements 260–63
  Objective 1/Convergence status
    252–5
  strategies 258–9
urban hierarchies 345–6
urban redevelopment
  cities as actors in multilevel governance systems 414–15
  impact and learning 420–24
  recent developments 418–20
  urban dimension in Cohesion policy 413–14, 416, 419–20, 422–4
  from urban pilot projects to urban mainstreaming 415–18
