Acknowledgements

We thank all of the authors who have contributed to this volume for their cooperation in a long process of preparing the Handbook, their willingness to make revisions and often cuts to their manuscripts, and their completion of high quality and accessible final chapters. Many of the authors also reviewed one or more other draft chapters. We thank the following colleagues for reviewing draft chapters for the Handbook: Ian Bailey, Rob Bailis, Abhijit Banerjee, Elena Berger, Michael Bradshaw, Christian Brannstrom, Marilyn Brown, Sara Burch, Richard Cowell, Stewart Fast, Michael Heiman, Matt Huber, Carol Hunsberger, Corey Johnson, Nicholas H. Johnson, Mike Kuby, Mazen Labban, Joshua Newell, Jamie Pittock, Carlo Sica and Eve Vogel.

Sven Stremke and Paolo Picchi would like to acknowledge their fellow researchers and thank the commissioners of the Duurzame Energiedelandschappen en Ecosysteemendsten op Schouwen-Duiveland (Sustainable Energy Landscape and Ecosystem Services Schouwen-Duiveland) project for their support.

Helmut Haberl would like to acknowledge the financial support of the Social Sciences and Humanities Research Council of Canada (Project Sustainable Farm Systems), the Austrian Science Fund (Project 27590) and the European Research Council Starting Grant LUISE (263522).

Arielle Hesse would like to acknowledge that her chapter is supported by a grant from the US National Science Foundation (DDRI-1434222).

Harriet Thomson and Stefan Bouzarovski would like to acknowledge the financial support from the European Research Council under the European Union’s Seventh Framework Programme (FP7/2007–2013)/ERC Grant Agreement Number 313478.

We thank the following for permission to use or reprint material:

Joy Mining for the use of Figure 3.2 in Chapter 3.

The Global Environment Facility-Small Grant Programme-Dominican Republic for the use of Figure 9.2 in Chapter 9.
Handbook on the geographies of energy

The Southern Methodist University Geothermal Laboratory for the use of Figure 12.1 in Chapter 12, which originally appeared as the SMU 2011 Updated US Heat Flow Map.

The Intergovernmental Panel on Climate Change for the use of Figure 12.2 in Chapter 12. This originally appeared as figure 4.5 in *IPCC 2012: IPCC Special Report on Renewable Energy Sources and Climate Change Mitigation*, prepared by Working Group III of the Intergovernmental Panel on Climate Change, Cambridge University Press.

The Crown Estate (UK) for the use of Figure 13.1 in Chapter 13.

Nicholas Tonelli for the use of Figure 21.1 in Chapter 21.

Jason Woodhead for the use of Figure 21.2 in Chapter 21.

Ed Kashi for the use of Figure 24.1 in Chapter 24.

Elsevier for the use of Figure 36.1 in Chapter 36.
