We, the editors, are deeply indebted to the authors who devoted their time to making this volume come alive. We also want to express our gratitude to Edward Elgar Publishing who accepted the volume into their publishing schedule. In addition, we thank the Academy of Finland, Kone Foundation, Mannerheim League for Child Welfare and Tampere University's Faculty of Social Sciences for financial support. Our thanks belong also to families who participated in the 'Media, Family Interaction and Children's Well-Being' project and to Matthew James for his excellent copy-editing.
