I dedicate this book to my parents and my two grandfathers. All four spent their entire professional lives as medical doctors curing patients and serving those who were sick, providing them with a better and healthier future.

Rafael Leal-Arcas
Washington, DC, 23 December 2016

I dedicate this book to my loving wife and our seven children: David, Clara, Bernadette, Elisabeth, Pia, An-Katrien and Jozef. May our scholarly work be a source of inspiration and an appeal for a stronger European and international engagement.
