

Acknowledgements

We would like to acknowledge the support of a number of people who commented on this book or whose ideas helped shape the content, especially Tim Brodhead, Ken Coates, Thomas Homer-Dixon and Steve Quilley. We are grateful to the J.W. McConnell Family Foundation and Suncor Energy Foundation for their generous support of the researchers and research throughout. Lastly we would like to thank Meg Westley for her excellent and efficient editing and thoughtful comments, and Nina Ripley for keeping us organized. We are grateful to our families for their love, patience and understanding throughout what sometimes felt like a long journey.
