

Acknowledgements

The editor and the authors are grateful to the Education, Audiovisual and Culture Executive Agency (EACEA) for funding the EUsers Jean Monnet Network and to the participants at the MEEW (30 June 2016) and the EUsers summer school (27 June–1 July 2016) for their comments.

Thanks are extended to Gelsomina Catalano, research fellow, for her dedicated effort in animating the network and in assisting both the editor and the authors; Valentina Morretta, research fellow, has provided a competent review work on the final manuscript and many helpful suggestions to improve the text. The editor is also grateful to four anonymous reviewers, appointed by the publisher, for their comments provided to the initial editorial project. Several anonymous reviewers have also provided constructive criticisms chapter by chapter and on the entire project.
