## Acknowledgments

---

I am grateful to all of the authors in this book for committing their time to participate in this project and for their collegiality during the editing and production processes.

I warmly thank my research assistants at Sydney Law School who laboured intensively on preparing the manuscript in 2012–13: Naomi Hart, Giselle Kenny, Katherine Bones, Ella Alexander, Harrison Grace, Alexander Horne, and Kathleen Heath.

This project was supported by an Australian Research Council Future Fellowship (FT110100121: ‘The emerging international law of terrorism’) and an Australian Research Council Discovery Grant (DP120103830: ‘Terrorism and the international law of armed conflict’).
