About the editors

Yannick Griep is an Assistant Professor at the Behavioural Science Institute at Radboud University, the Netherlands, and an affiliated member of faculty at Stockholm University, Sweden. His research focuses on temporal dynamics associated with psychological contract breaches and how these dynamics influence employees' propensity to engage in dysfunctional behavior. Yannick Griep has published his research in leading journals such as the *Journal of Occupational and Organizational Psychology*, the *Journal of Vocational Behavior*, and the *Journal of Occupational Health Psychology*. He serves on the editorial board of the *Journal of Occupational and Organizational Psychology*, the *Journal of Vocational Behavior*, and *PlosOne*, and is a guest editor at the *Journal of Organizational Behavior* and the *European Journal of Work and Organizational Psychology*.

Samantha D. Hansen (formerly Montes) is an Associate Professor of Organizational Behavior and Human Resources Management in the Department of Management at the University of Toronto Scarborough, with a cross-appointment to the Rotman School of Management, Canada. Her primary research interests pertain to the psychological contract and its utility in developing and maintaining positive employee–employer relationships. Her work challenges existing theoretical and methodological assumptions with the goal of advancing understanding and application of psychological contract processes by incorporating the role of objective and subjective time. Samantha Hansen has published her work in leading journals such as the *Journal of Applied Psychology*, the *Journal of Organizational Behavior*, and the *Journal of Occupational and Organizational Psychology*. She serves on the editorial board for the *Journal of Applied Psychology*, and is a guest editor at the *European Journal of Work and Organizational Psychology*.
