This book was made possible by funding from the UK Economic and Social Research Council (ESRC), grant reference ES/R007810/1, which underpinned all of the research and engagement activities of the Productivity Insights Network programme.

We are grateful to Professor Jennifer Rubin, Sasha Leigh, Dr Natalie Jones, Christopher Carlton, Elin Stephens, all from the ESRC, who have provided guidance and encouragement at every stage of the work of the Productivity Insights Network.

Enormous thanks are due to Kate Penney, Phil Wallace and Kat Sloan, all of the Productivity Insights Network and the Management School at the University of Sheffield, who helped to shepherd each of the chapters through the various rounds of the editing process.

Matthew Pitman and Liz Clack at Edward Elgar also provided excellent leadership and vision regarding the whole publishing process.
