

The *Elgar Encyclopedia of Environmental Law* offers the most comprehensive and authoritative scholarly assessment of the field available.

General Editor: **Michael Faure**, Maastricht University and Erasmus University Rotterdam, the Netherlands

About the *Elgar Encyclopedia of Environmental Law*

The *Elgar Encyclopedia of Environmental Law* is a landmark reference work, providing definitive and comprehensive coverage of this dynamic field. The *Encyclopedia* is organised into 12 volumes around top-level subjects – such as: water, energy and climate change – that reflect some of the most pressing issues facing us today. Each volume probes the key elements of law, the essential concepts, and the latest research through concise, structured entries written by international experts. Each entry includes an extensive bibliography as a starting point for further reading. The mix of authoritative commentary and insightful discussion will make this an essential tool for research and teaching, as well as a valuable resource for professionals and policymakers.

- Ideal entry point for research into a particular topic
- Valuable reference tool for students
- Organised into 12 volumes on major themes
- Consists of concise, well-structured entries
- International perspectives and cross-disciplinary insights

Integrated electronic edition:

The *Encyclopedia* is available as a state-of-the-art online resource as well as traditional print volumes. The electronic edition features a specially-designed interface, powerful search, and direct linking to references. With unrestricted campus-wide access, it is the ideal choice for libraries.

- Sophisticated search and cross-linking
- Navigation tools to aid use as an integrated resource
- Direct linking to external references
- Free-flowing XML text optimised for on-screen use
- Hosted exclusively on our content platform, Elgaronline.com
- Technology designed to aid library integration
- Users can share, download and print chapter PDFs without DRM restriction.

Elgaronline 978 1 78536 952 0 • Price available on request.
