Essentials in International Business collection

62 Titles published between 2004-2021

A must-have resource for Economics, Business and MBA programs from Edward Elgar Publishing

Elgar has published the leading voices in international business research for over 30 years. We have used citation, sales, and Elgaronline usage data to carefully curate a list of the top 60 Elgar international business titles from our economics and business lists that have stood the test of time. Featuring a wide range of topics and written by a geographically diverse and highly-cited selection of leading authors, this is an essential collection for libraries building a well-rounded, comprehensive and cutting-edge international business list.

With this collection, your researchers will have access to some of the best writing on international business from across the field including:

- international strategy
- born globals
- international marketing
- sustainability
- emerging markets
- and international HRM.

Volumes include important original reference works, key edited volumes and authored monographs covering important research findings and bespoke research methods.

Elgaronline allows for unlimited simultaneous user access and DRM free chapter downloading so the resources can easily be used in courses.

Features for users

- Intuitive user interface allows users to quickly search, filter and navigate content
- Easily download, print, save and share subscribed content
- Elgar journals and eBooks accessible and searchable across one platform, enabling a unified research experience
