## Essentials in Public Administration and Public Policy collection

67 Titles published between 2004-2021

A must-have resource for political science, public administration and public policy programs from Edward Elgar Publishing.

Elgar has been a leading publisher of public administration and public policy research for over 30 years. We have used citation, sales, and Elgaronline usage data to carefully curate a list of the top 58 Elgar titles in these two important fields that have stood the test of time. Featuring a wide range of topics and written and edited by internationally recognized scholars, this is an essential collection for libraries building a well-rounded and comprehensive offering for students and researchers in public administration and public policy.

With this collection, your researchers will have access to some of the best writing on essential topics including:

- governance
- comparative public administration
- federalism
- corruption
- public private partnerships
- policy analysis and regulation.

Volumes include important original reference works, key edited volumes and authored monographs covering important research findings, mapping new and emerging fields of research, teaching guides for instructors and enlightening critiques for graduate students.

Elgaronline allows for unlimited simultaneous user access and DRM free chapter downloading so the resources can easily be used in courses.
